

Product Cleaning & Care

Products should be cleaned only with a soft, non-abrasive cloth dampened with clean water or a mild dishwashing liquid and warm water. Please wipe dry with a soft, nonabrasive cloth. Do not use harsh cleaners or waxes to clean the product as these will erode the protective finish and void the warranty. Please do not leave water or soap residue on the product as chemicals or minerals contained within will eventually violate the protective coating and erode the finish.
